ACH Withdrawal

Easy, no-fee, automatic monthly donations.

The benefits of ACH Withdrawal:

- Small monthly donations are easier on your budget in the short term, but add up to great support for MCP in the long term.
- It's easy to sign up, and easy to cancel.
- There are no third party fees, so 100% of your gift will go toward helping the 1,600 orphaned children who rely on the Makindu Children's Centre for their daily needs.

Here's how it works:

You authorize regularly scheduled donations to be made from your checking or savings account. Then, just sit back and relax. Your donations will be made automatically on the scheduled day. Every January, Makindu Children's Program will send you a statement summarizing your previous year's donations. The authority you give to charge your account will remain in effect until you notify us in writing to terminate the authorization.
